## 2024 Year 10 Term 4 Math's Course (05 Oct – 14 Dec)

Pre-Uni New College High School proudly announces the commencement of Year 10 Math's Course in Term 4.

As your child approaches Year 10, it's time to think about senior school. Pre-Uni New College believes it is important to expose you to topics in advance to ensure you stay one term ahead of school. We provide detailed material and comprehensive feedback to facilitate preparation and develop skills in all areas of your education. This will help to build your confidence as you prepare for your school exams.

During high school, students become more vulnerable to ineffective study habits in the absence of continued guidance and coaching. Our years of successful results clearly indicate that Pre-Uni New College has the best academic formula to help your child overcome these issues.

## Year 10 Term 4 Math's Lesson Topics

### MATHS

- Non-linear Relationships
- Properties of Parabolas
- Circle Geometry
- Index Revision

- Logarithms
- Exponentials
- Function
- Further Function

## Our Learning System

The key to our continuing academic success begins with maximum exposure to advanced course materials for our students. Our workbook materials allow students to practice the techniques and methods they have learnt at Pre-Uni New College to tackle both assignment and exam-style questions. Along with the lessons and tutorials, **we offer additional free tutoring services** to ensure that students receive the best support they need to confront the areas that they find particularly challenging. Extra academic assistance will make a big difference in the overall academic performance and work ethic of students.

## Our Key Learning Support Services

- ✓ **Weekly Homework Marking (Maths)**
- ✓ **Weekly 1 to 1 Tutorial (30 minutes - Face to Face)**

### Homework Marking

We provide weekly homework marking & recording service that provides an opportunity for review and reinforcement of skills that have been mastered and encourages practicing skills that are not. Homework also is an opportunity for children to learn self-discipline and organisational skills and to take responsibility for their own learning.

### 1:1 Tutoring

During the 1:1 tutoring, your child will be assigned to one of our experienced and knowledgeable tutors who will help enhance their skills in critical thinking and problem solving. Tutors will also be available to assist in tasks including but not limited to:

- Clarifying unclear and confusing concepts taught in class
- Detailed working out on classwork, homework or quiz questions that your child finds challenging.
- Essential study and exam strategies
- Critical feedback and guidance on areas that need improvement
